MASSAGE SERVICES

Our trained technicians will conduct a brief consultation prior to your service. This is your opportunity to discuss any health conditions, preferences, and areas of concern.

SWEDISH RELAXATION MASSAGE (available in 30, 60 and 90 minutes)

Enjoy a customized massage experience enhanced with your favorite aroma. This classic massage utilizes traditional Swedish massage techniques with light to moderate pressure to reduce tension, improve circulation and enhance relaxation.

THERAPEUTIC MASSAGE (available in 60, 90 and 120 minutes)

For your deepest relaxation, advanced massage therapy techniques are implemented to address issues such as neck, shoulder, back, hip, sciatic-type pain, muscular tension and chronic stress. When appropriate, moist heat is utilized to help further relax tense muscles. This customized massage experience is enhanced with your favorite aroma.

PREGNANCY MASSAGE (60 minutes)

A specialty massage for the mother to be, designed to accommodate the natural changes the body experiences during pregnancy. It can aid in the relief of muscle cramps, spasms and myofascial pain, especially in the lower back, neck, hips and legs.

***Please consult your physician and provide written medical approval to receive this service. This service is not offered during the first trimester of pregnancy.

ARGOSY SIGNATURE HOT STONE MASSAGE (75 minutes)

A soothing therapeutic massage experience is enhanced with your favorite aroma. Smooth, warmed basalt stones allow you to engage a deeper sense of relaxation as stress and tension melt away.

CHAKRA BALANCING MASSAGE (60 minutes)

Destination: Balance and Rejuvenation. An eclectic blend of reflexology, deep tissue on the back, guided meditation, aromatherapy and energy balancing techniques are designed to balance the Chakra centers of the body while enhancing relaxation.

REFLEXOLOGY (45 minutes)

Massage of the hands and feet designed to stimulate specific pressure points to facilitate relaxation and encourage overall health and well-being.

HYDROPEPTIDE ANTI-AGING MASSAGE (60 minutes)

Engage your youthful self with a dry exfoliation (designed to increase circulation) followed by a massage with aromatic massage oil to relax away any tension, then finished with a firming moisturizer to enhance skin's natural glow.

REFRESHER MASSAGE (15 minutes)

For those on the go, a specially designed chair or table is utilized to pinpoint targeted area.

BODY TREATMENTS

All of our body treatments are performed in standard treatment rooms. Products are removed with warm, moist towels. During the service, the guest is modestly draped at all times. We suggest completely disrobing for these services to avoid the possibility of products staining your garments, but please feel free to disrobe to your comfort level.

MOROCCAN RHASSOUL BODY WRAP (90 minutes)

Rhassoul is a volcanic, ash-based mud that has historically been recognized as a therapeutic resource for skin cleansing and purification. Rhassoul is also great for skin conditions such as eczema and dermatitis.

MOISTURIZING PARAFFIN BODY WRAP (90 minutes)

Nourishing oil and warm paraffin are smoothed onto the entire body and left to penetrate the muscles and condition the skin. In addition to its intense hydrating properties, this heat therapy is excellent for the reduction of stress and minor joint pain.

CHOCOLATE COCONUT BODY WRAP (90 minutes)

The guilt free treatment will firm and tone your skin, while leaving you soft and smooth. The chocolate coconut has the added benefits of detoxification and anti-oxidants will leave you feeling moisturized and youthful. End this experience in our relaxation room wrapped in a plush robe letting the stress slip away.

WINE AND HONEY BODY WRAP (90 minutes)

Escape to the rolling hills of the Mediterranean as you're painted from head-to-toe in the delectable antioxidant masque. This deluxe spa treatment boasts an arsenal of potent age-fighters and natural vitamins. Fortify your skin's natural defenses as gentle clays draw toxins from deep within your tissue and golden olive oil locks in moisture.

BODY POLISH (60 minutes)

Exfoliation products are combined to gently refresh the skin resulting in increased circulation and improved skin texture.

SEASONAL BODY TREATMENTS (60-90 minutes)

Please inquire about our various seasonal body wraps and treatments.

SKIN CARE SERVICES

Our Estheticians utilize the latest techniques and highest-quality professional skin care products to provide you the best skin care possible. Each facial will feature products designed to enhance your specific skin type.

AVEDA FACIAL (Available in 30, 60 or 90 minutes)

Aveda is designed to visibly transform your skin and encourage a healthier balance of the mind and body.

30 minute

This facial is a great introduction to skin care consisting of cleansing, toning, moisturizing and your choice of skin exfoliation, face and neck massage or skin correcting techniques.

60 minute

Instantly reveal your radiance. This service is designed to encourage healthier skin and balance of the mind and body. It includes an aroma blend, cleansing, exfoliation, masque, toning, moisturizing and skin protection.

90 minute

Accelerate your journey to glowing, healthy-looking skin. This service includes an aroma blend, cleansing, exfoliation, masque, toning, massage of the face neck and décolleté, moisturizing and skin protection.

HYDROPEPTIDE FACIAL (Available in 30, 60 or 90 minutes)

Hydropeptide embraces clean science and challenges skin aging with every product while addressing secondary concerns like hyperpigmentation, sensitivity, dehydration and acne.

30 minute

For a more targeted solution, this facial consists of cleansing, toning, moisturizing and your choice of skin exfoliation, face and neck massage or skin correction techniques.

60 minute

Designed to visibly reduce redness, calm sensitivity and balance hydration while reducing the appearance of wrinkles. This includes cleansing, toner, chemical exfoliation, treatment mask, moisturizing and skin protection.

90 minute

Fine lines and wrinkles don't stand a chance with this signature age-defying treatment. It includes cleansing, toner, chemical exfoliation, treatment mask, massage of the face, neck and décolleté, lip plumping treatment, eye-lift treatment, moisturizing and skin protection.

FACIAL EXFOLIATION TREATMENTS

Please inquire about our current exfoliation options. Our professional exfoliation treatments offer botanical alternatives to traditional skin resurfacing treatments. You'll experience a healthier, radiant look without the post-treatment irritation or redness. These services may be combined with any facial or provided as a stand-alone treatment.

BACK TREATMENT (60 minutes)

This skin care treatment is designed to care for skin conditions of the back. Service includes cleansing, exfoliation, extractions and moisturizer.

MEN'S SERVICES

Although most of our services can be utilized by both men and women, the following services are designed specifically with our male clientele in mind.

GENTLEMAN'S MANICURE (45 minutes)

This service is for the gentleman who wants to show that he means business by looking his best. Service includes traditional nail maintenance and choice of low or high shine buffing.

GENTLEMAN'S PEDICURE (45 minutes)

Help your feet look and feel better. This service includes whirlpool footbath, traditional nail maintenance, callus removal, exfoliation, masque and massage.

GENTLEMAN'S FACIAL (30 minutes)

This facial is designed to address the challenges and conditions specific to men's skin. Service includes cleansing, toning, masque and moisturizer. Your skin care specialist will explain the basic daily steps to keep your skin looking great.

IN-GROWN HAIR TREATMENT

In-Grown Hair Treatment includes extraction of hair or high-frequency treatment as appropriate.

Service may be added to any facial.
